RE: Item #3 - Docket No. 980643-EI - Proposed amendments to Rules 25-6.135, F.A.C., Annual Reports; 25-6.1351, F.A.C., Cost Allocation and Affiliate Transactions; and 25-6.0436, F.A.C., Depreciation

Staff inadvertently failed to include the attached Form PSC/AFA 19, entitled "Annual Report of Major Electric Utilities." As we discuss in the recommendation, the utilities have been filing on an annual basis the two components of this form - the FERC Form 1 and the "Analysis of Diversification Activities." The amendments to this rule merge these forms for the first time. As we also discuss in the recommendation, the only substantive change is the addition of the schedule on page 460, which is a description of the "Non-Tariffed Services and Products Provided by the Utility."
