Dear Mr. Vivier:

A copy of your 1999 Regulatory Assessment Fee (RAF) return was forwarded to me since you wrote on the form that you wanted to voluntarily cancel your pay telephone certificate. I cannot recommend voluntary cancellation of a certificate when there is an outstanding balance. In this case, our records show that you paid the 1999 fee on March 3, 2000 (payment was due by January 31, 2000), but that you did not pay the accrued penalty and interest charges of \$6.00. As information until the Commission is notified in writing that a company wishes to cancel its certificate, the RAF is due on that certificate if the certificate is active for any day during a calendar year. This means that not only is the 1999 penalty and interest charges due, but that you are also responsible for the 2000 RAF since the Commission was not notified until March 3, 2000.

I am enclosing a copy of Rule 25-24.514, F.A.C., which explains how to request voluntary cancellation. The company would need to first pay the past due amount in full, and then write the Commission another letter advising when the 2000 RAF fee will be paid.

Please respond in writing by April 24, 2000. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, or by internet e-mail at
