RE: Docket No. 991779-EI - Review of the Appropriate Application of Incentives to Wholesale Power Sales by Investor-Owned Utilities.

Via Facsimile

Pursuant to Prehearing Officer Clark's ruling at today's Prehearing Conference, the following final list of issues has been approved for the above-referenced docket:

- 1. Should the Commission eliminate the 20 percent shareholder incentive set forth in Order No. 12923, issued January 24, 1984, in Docket No. 830001-EU-B?
2. If the Commission decides to maintain the 20 percent shareholder incentive in Issue 1 or approves a new incentive, what types of non-separated, non-firm, wholesale sales should be eligible to receive the shareholder incentive?
3. If the Commission decides to maintain the 20 percent shareholder incentive in Issue 1 or approves a new incentive, how should the incentive be structured?

If you find it necessary to revise any part of your previously stated positions to be consistent with this list of issues, please provide any such revisions to Cochran Keating by telephone at (850) 413-6193 or by facsimile transmission at (850) 413-6194 no later than 5:00 p.m., Tuesday, May 2, 2000.
