Dear Mr. Gruber:

This is in response to your recent letter in which you requested voluntary cancellation of your pay telephone certificate. I cannot recommend voluntary cancellation of a certificate when there is an outstanding balance of regulatory assessment fees. In this case, our records show that you paid the \$50.00 fee for 1998 and 1999, but you did not pay the statutory penalty and interest charges.

You paid the 1998 fee on April 1, 1999 (it was due February 1, 1999). Therefore, you owe an additional \$6.00 (\$5.00 penalty and \$1.00 interest). You paid the 1999 fee on April 17, 2000 (it was due January 31, 2000). Therefore, you owe an additional \$9.00 (\$7.50 penalty and \$1.50 interest). Once your check for \$15.00 is received, I will open a docket to cancel your certificate with a December 31, 1999 effective date. However, in order to make the effective date in 1999, payment must be received by April 28, 2000.

If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.

re: 1999 Regulatory Assessment Fee
TF832

Dear Ms. Knight:

We spoke approximately four (4) weeks ago regarding the dissolution of my Pay Phone Company at the end of 1998. You stated that since your office was never notified of this change in status, that I would still be responsible for the minimum 1999 Regulatory Assessment Fee amount of \$ 50.00. Enclosed is my payment for this fee.

Please update your records to show that I, Ray Gruber (TF832) am no longer in the payphone business and I am requesting that my license be cancelled retroactively back to at least 12/31/99. I should not be held liable for the 2000 Regulatory Assessment Fee.

Should you have any questions, please contact me at (954)714-3655.

Sincerely,

Raymond M. Gruber, III
