RE: Responses to "UPDATE LETTERS" - Indicating Name Changes

Recently mailed out my request for "updated information" from all the Companies/Utilities under the FPSC jurisdiction. The following company responded by saying that their name has changed from what they were originally certificated as:

- 1. Century Telecommunications, Inc. - TI404

Forwarding copies of my "updated information" for your information and further handling. Until dockets are opened requesting name changes and orders are issued acknowledging the name changes, they will remain listed in MCD as they were originally certificated under..

I did update MCD with the new information that was provided by the utility for the address, liaison, etc.

Thanking you in advance for your help..
