MOTION TO INTERVENE

Network Access Solutions Corporation ("NAS") hereby moves to intervene in this proceeding under Rule 25-22.039. A grant of this motion is in the public interest because NAS will be directly affected by the outcome of this proceeding given its plans to begin operating later this year as a Florida ALEC. NAS already is certified to provide telecommunications services in Florida and has entered into interconnection agreements with BellSouth and GTE. Moreover, NAS has begun placing orders for collocation arrangements in the state.

Respectfully submitted,

NETWORK ACCESS SOLUTIONS CORPORATION
