

NOTICE IS HEREBY GIVEN that on May 1, 2000, the Florida Public Service Commission received a Petition from Florida Power & Light Company (FPL), Docket No. 000478-EI, seeking partial and temporary waivers of Rules 25-6.099 and 25-6.100(1), (2), (4), and (5), Florida Administrative Code. The waivers are sought in connection with FPL's Petition for Approval of a Pre-Pay Residential Service Experimental Rate, filed April 24, 2000 in the same docket, which proposes a pre-pay residential pilot program. FPL seeks waivers of the aforementioned rules for the limited purposes and duration of the proposed pilot program and only with respect to customers who elect to participate in the program, if approved. Rule 25-6.099, Florida Administrative Code, requires that each service meter be clearly marked to indicate the units measured and that, unless special circumstances warrant, meters be read at monthly intervals on the approximate corresponding day of each meter-reading period. Rule 25-6.100(1), Florida Administrative Code, requires that bills be rendered monthly and as promptly as possible following the reading of meters. Rule 25-6.100(2), Florida Administrative Code, requires that bills reflect certain information, including: a) the meter reading and the date the meter was read in addition to the meter reading for the previous period; b) the number of kilowatt hours consumed; c) the dollar amount of the bill; d) identification of the applicable rate schedule; e) the date by which payment must be made; f) the average daily kilowatt consumption for the current period and for the same period in the previous year; g) the
