CORRECTED STAFF EXHIBITS LF-3 AND LF-5

Enclosed please find corrected pages for Staff's Exhibits LF-3 and LF-5. These are omission and typographical corrections only and in no way change Mr. Fulwood's testimony.

LF-3 is corrected to include Alternative Plan #6, which was inadvertently omitted from the version of this exhibit filed on April 21, 2000. A written description of this alternative has also been added. In addition, minor corrections have been made to reflect that this exhibit consists of eight pages, rather than seven pages.

In LF-5, the map and description of Alternative #15 have been corrected to accurately reflect a three-way split. We apologize for any inconvenience these errors may have caused.
