**Re: Docket No. 990535-WU, Application of Florida Public Utilities Company -
Fernandina Beach Division for an increase in water rates in Nassau County**

Dear Ms. Martin:

By Order No. PSC-00-0248-PAA-WU, issued February 7, 2000, the Commission granted an increase in rates and charges for Florida Public Utilities Company's Fernandina Beach Division. This Order was made final and effective by Consumating Order No. PSC-00-0434-CO-WU, issued on March 2, 2000. As discussed on pages 36 and 40 of the PAA Order, the Commission finds a need to evaluate the effects of the utility's rate proceeding on consumption. To that end, the utility was ordered to prepare monthly reports detailing the number of customer bills rendered, the consumption billed (by usage block for the residential class) and the revenues billed. These reports shall be provided, by customer class and meter size, on a quarterly basis for a period of two years, commencing on the first billing cycle the revised rates go into effect.

According to the utility's tariff sheets on file at the Commission, the revised rates for water monthly service were effective March 1, 2000. Therefore, the reports should be provided according to the following schedule:

<u>Billing Period</u>	<u>Report Due</u>
March 2000 - June 2000	July 31, 2000
July 2000 - September 2000	October 31, 2000
October 2000 - December 2000	January 31, 2001
January 2001 - March 2001	April 30, 2001
April 2001 - June 2001	July 31, 2001
July 2001 - September 2001	October 31, 2001
October 2001 - December 2001	January 31, 2001
January 2001 - March 2001	April 30, 2001
