RE: Docket # 991965-TX

To: Florida Public Service Commission
From: Philacom Inc, Richard Cicciu

TX150

This letter is being written to the Commission in response to the Commissions' action reflected in the Docket mentioned above, Cancellation of ALEC certificate # 5282. I would like to express to the FPSC at this time, that the absence of response from Philacom Inc, is due to extenuating personal circumstances, and not the blatant disregard of the requirements set forth by the FPSC. Philacom Inc has never been an "active ALEC" and understands that a minimum RAF is \$50.00./ year is required. Below you will find a list of what it is Philacom Inc., believes is obligated to pay:

1997.....	Late Fee.....	\$6.00
1998.....	min RAF & late Fee.....	\$70.50
1999.....	min RAF & late Fee.....	\$62.00
Total.....		\$138.50

DEPOSIT	DATE
D295	MAY 18 2000

Philacon sent a check to the FPSC with this letter in the Amount of \$138.50, I did not send a check for the fine mentioned in the last certified letter to Philacom Inc, in hopes that the FPSC may find it appropriate to reduce the fine from \$500.00 to \$100.00.

I appreciate the Commissions' patience and apologize for not being timely in RAF payment.

This letter is being written to the Commission in response to the Commission's action reflected in the Docket mentioned above. Cancellation of AEP certificate # 8282. I would like to express to the FPC's that this time, that the absence of response from Philacom Inc. is due to extenuating personal circumstances, and not the blatant disregard of the requirements set forth by the FPC. Philacom Inc. has never been an "active violator" and understands that a minimum of \$18,580.00 was required. The following will find a list of what it is if become the compliance obligated amount.

1997	late fee	\$100.00
1998	min. k. of & late fee	\$17,580.00
1999	min. k. of & late fee	\$100.00
	Total	\$17,780.00

Philacom sent a check to the FPC for the payment of \$17,780.00. If you can't send a check for the fine mentioned in the above certificate of violation, please advise the FPC so that it is appropriate to reduce the fine to \$8,580.00.

I appreciate the Commission's attention to the above information and your payment.
