DOCKET NO. 981663-WU - Application for staff-assisted rate case in Orange County by Tangerine Water Company, Inc.

(Continued from previous page)

Issue 2: Should Tangerine be ordered to show cause, in writing within 21 days, why it should not be fined up to \$5,000 per day for failure to complete all of the pro forma plant improvements in apparent violation of Order No. PSC-99-1399-PAA-WU, issued July 21, 1999?

Recommendation: No, a show cause proceeding should not be initiated.

APPROVED

Issue 3: In light of the utility's failure to timely complete the required pro forma plant improvements, what action, if any, should the Commission take with regard to the portion of the rate increase associated with the pro forma plant improvements?

Recommendation: No action should be taken at this time. However, the utility should be required to file monthly reports detailing its progress in completing the required pro forma plant improvements until all construction is completed.

APPROVED

Issue 4: Should this docket be closed?

Recommendation: No, this docket should remain open to allow staff to verify that the utility has completed the required pro forma plant improvements. Once staff has verified that this work has been completed, the docket should be closed administratively.
