We received a letter from Phil Carver on Friday, asking us to return the confidential documents which were granted confidentiality by Orders PSC-98-1508 and PSC-98-1576 in this special project docket. The 18 ★ months on each order expires this month. The documents are 08205-98, 09085-98, 08089-98, 09087-98, 10747-98, and 09797-98. Can we return the documents to BellSouth pursuant to his request?

Thanks, Beth.

Anne, can you e-mail once more, in response to this e-mail, in the same vein as yesterday's e-mail (where you indicated it would be okay to return the documents)? I cannot locate that e-mail, either in deletes or sent items. I will use your and Beth's combined e-mail responses to return the documents.

I think so. The Docket's closed and I can't think of any reason we would need to retain it.
