**BELLSOUTH TELECOMMUNICATIONS, INC.'s
REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION**

BellSouth Telecommunications, Inc. ("BellSouth" or "Company") hereby files, pursuant to Rule 25-22.006, Florida Administrative Code, its Request for Specified Confidential Classification of its response to the Florida Public Service Commission ("Commission's") Data Request issued on April 11, 2000, in the above captioned docket.

1. In a letter dated April 11, 2000, the Commission requested that BellSouth respond to a data request undertaking a number utilization study, including providing forecasted utilization data through October, 2001, of all area codes in Florida. The information contained in Attachments I and II contained confidential business information. BellSouth responded to and filed this request on April 28, 2000, along with a Notice of Intent to Request Specified Confidential Classification.

2. The information contained in Attachments I and II to the data request response is proprietary and includes information that is clearly confidential and proprietary under Florida Statutes, Section 364.183.

3. Attachment "A" to BellSouth's Request for Specified Confidential Classification contains an explanation of the proprietary information along with a

list that identifies the location of the information designated by BellSouth as confidential.

4. Attachment "B" to BellSouth's Request for Specified Confidential Classification contains two copies of the documents with the confidential information redacted.

5. Attachment "C" to BellSouth's Request for Specified Confidential Classification is a sealed envelope containing one copy of the documents including those portions that are confidential and proprietary.

6. The information provided in BellSouth's response to Staff's request (Attachments I and II) contain confidential business information. A more specific description of this information is detailed in Attachment A. Public disclosure of this information would provide competitors with an unfair advantage in future negotiations. This same information on competitors is not available to BellSouth. The information discussed in this Request for Confidential Classification is valuable and BellSouth strives to keep it secret. Therefore, such information should be classified as customer proprietary information and proprietary, confidential business information pursuant to Section 364.24 and Section 364.183(3)(e), Florida Statutes. Accordingly, it should be held exempt from the public disclosure requirements of Section 119.07, Florida Statutes.

7. BellSouth has treated and intends to continue to treat the information for which confidential classification is sought as private, and this information has not been generally disclosed.

8. The original of this Request was filed today with the Division of Records and Reporting, and a copy was served on the Parties.

WHEREFORE, based on the foregoing, BellSouth respectfully requests that the Commission enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted this 18th day of May, 2000.
