nature and will become final unless a person whose interests are

service, pursuant to Section 364.337, Florida Statutes. Upon review of their applications, it appears that these entities have sufficient technical, financial, and managerial capability to provide such service. Accordingly, we hereby grant to each of these entities the certificates depicted below, which shall authorize them individually to provide ALEC services statewide, except that the ALEC may not offer basic local telecommunications service within the territories of earnings-regulated small local exchange companies, as set forth in Section 364.337(1), Florida Statutes.

<u>ENTITY'S NAME</u>	<u>CERTIFICATE NO.</u>
AMAFLA Telecom, Inc.	7451
BroadStreet Communications, Inc.	7452
Broadspan Communications, Inc. d/b/a Primary Network Communications, Inc.	7445
BD Webb Enterprise, Inc. d/b/a Quad City Communications, Inc.	7455
SATCOM Communication Corporation d/b/a SATCOM Communication	7469

If this Order becomes final and effective, it shall serve as each entity's certificate. It should, therefore, be retained by each entity as proof of certification.

In addition, Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications service to provide access to 911 services. This Commission has no rules specifying the 911 services that either an incumbent local exchange company (ILEC) or an ALEC must provide; however, 911 service that is inferior to that provided by the ILEC would clearly not be in the public interest. Accordingly, we find that Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications services to provide at least the same level of 911 services as that provided by the ILEC serving the same area.

Further, pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion

of the calendar year. A RAFs Return notice will be mailed to each of the entities listed above. Neither the cancellation of its certificate nor the failure to receive a RAFs Return notice shall relieve any of these entities from its obligation to pay RAFs.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant, to the entities listed herein, certificates to provide Alternative Local Exchange Telecommunications service, subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as each entity's certificate and should be retained as proof of certification. It is further

ORDERED that each Alternative Local Exchange Telecommunications company which provides basic local telecommunications services shall provide at least the same level of 911 services as that provided by the incumbent local exchange company serving the same area. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further
