Dear Sirs:

I am writing in regards to the letter attached.

We moved into this park 8 years ago & Home tried to raise our rates & was told by the state that he signed a paper agreeing to the \$15.20 rate. Since that time our water & sewer system has gotten worse.

We bring water in to drink & the sewer is hauled out every day.

We cannot seem to find out just what kind of tests have been done on this system.

Due to the number of people that have died with cancer & those that are sick with cancer, makes us wonder.

I feel this request should be denied.
