Subject: Docket 000615-TC CASR Title

Hi Linda,

I can't figure out where I got the effective date for this docket's cancellation. Usually, I use the requested date of cancellation or the date stamped into the Commission date. I know we are canceling PATS administratively by memo now and I am attaching the company's letter of request as documentation. The docket file also has a copy of this letter as I used it as documentation to open the cancellation docket.

The effective date for this cancellation should be 4/21/00 because that is the Commission date stamp.

Can you change the effective date to 4/21/00 via this email.

Thank you.

Toni
