RE: DOCKET NO. 991834-EI - Petition for approval of deferred accounting treatment for the Gulf Coast Ozone Study Program by Gulf Power Company.

Issue 1: Should Gulf Power Company's request for clarification and/or modification of Order No. PSC-00-0476-PAA-EI or in the Alternative Petition for a Formal Proceeding be granted?

Recommendation: Yes. The Commission should grant Gulf Power Company's request for modification of Order No. PSC-00-0476-PAA-EI. Gulf should recover only those annual costs of the GCOS in excess of the amount included in the approved rate case test year budget reduced by the amount actually spent on environmental studies as an operating expense during the relevant ECRC recovery period. If the amount reflected in surveillance reports for expenditures on environmental studies during the relevant ECRC recovery period exceeds the amount included in the approved rate case test year budget, there should be no adjustment to the amount of expenses associated with GCOS for recovery through the ECRC.
