Re: 000277-WS - Application for transfer of facilities and Certificates Nos. 353-W and 309-S in Lee County from MHC Systems, Inc. d/b/a FFEC-Six to North Fort Myers Utility, Inc., holder of Certificate No. 247-S; amendment of Certificate No. 247-S; and cancellation of Certificate No. 309-S.

Dear Mr. Varga:

I am writing in response to your e-mail dated June 8, 2000. First, it should be noted that I did not receive your e-mail via the Internet because it appears that your e-mail did not have my correct e-mail address. However, I did receive a copy of your June 8, 2000 e-mail this morning in the mail. Additionally, I noticed that the original was sent to me instead of to the Division of Records and Reporting. As I have stated previously, the proper place to send information to be included in the docket file is the Commission's Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399. By sending correspondence to the Division of Records and Reporting first, your correspondence will be included in the docket file sooner.

As to your comments concerning the March 31, 2000 e-mail, this will be the subject of a staff recommendation currently scheduled to be filed for the July 11, 2000 agenda conference in Tallahassee. You will receive a copy of the staff's recommendation prior to the agenda conference, along with a letter telling you the date of the agenda conference. If you wish to attend, you may address the Commissioners directly at the agenda conference regarding this matter.

Since our telephone conversation on June 1, 2000, I have learned that if you are granted party status, you may petition the Prehearing Officer to allow you to participate in the prehearing conference by telephone.
