Re: Staff Assisted Rate Case for Laniger Enterprises of America, Inc. in Martin, Docket No. 000584-WS

Dear Mr. Burge:

We have determined eligibility for staff assistance filed by Laniger Enterprises of America, Inc. We find that the utility is eligible for the staff assisted rate case filing.

The staff engineer has determined the filing fee in this rate case of \$2,000 (\$1,000 for water system and \$1,000 for wastewater system). This fee is based on the capacity of the utility system as provided by Section 367.141, Florida Statutes. The filing fee due must be received by July 14, 2000 which will be the official filing date for this rate case.

Members of Commission Staff will contact you to schedule a convenient time for examination of the utility's books and records and physical plant. If you have any questions regarding the rate proceeding, please call Bob Casey (850) 413-6974 or Ryan Fitch (850) 413-6928.

Sincerely,

Tim Devlin
Director
