NEW DOCKET

Linda, please open a docket to handle TECO's confidential quarterly CISR report. Use this e-mail as a "request to establish docket." Title is:

Request for confidential classification of quarterly Commercial/Industrial Service Rider (CISR) reports by Tampa Electric Company.

Documents 07091-00 and 07092-00 should be moved from the undocketed file to this new docket. Connie Kummer's group in ECR will be OPR on these "quarterly filings."

DOCKET NO. 000653-EI

Documents 07328-00 and 07329-00 (filed yesterday) should be placed in Docket 000653-EI. The title of this docket should be amended by dropping "March 2000" from the wording, since we will be receiving monthly confidential material from TECO. John Slemkewicz is lead on this docket.

Thanks for taking care of both filings.

Kay
