Dear Mr. Huffman:

The Commission's Division of Administration just recently forwarded a copy of your 1999 regulatory assessment fee form, which was received by the Commission on December 23, 1999. You wrote on the form "We do not plan to install payphones in Florida at the present time." This appears to be a request for cancellation of your pay telephone certificate. Your Certificate No. 5895 became active August 4, 1998 and we received your written request for cancellation on December 23, 1999, therefore, I can make the effective date of the cancellation December 23, 1999. However, you must first pay the 1999 regulatory assessment fee.

Rule 25-4.0161, Florida Administrative Code, provides that if a certificate is active for any day during a calendar year, the regulatory assessment fee is applicable even if no business was ever conducted. The amount past due is \$65.00. As soon as we receive your check for that amount, we will proceed with opening a docket to cancel your certificate.

Please respond in writing by June 22, 2000. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.
