Re: Complaint of Allied Universal Corporation and Chemical Formulators, Inc.  
against Tampa Electric Company; FPSC Docket No. 000061-EI

Dear Ms. Bayo:

Enclosed for filing in the above docket are the original and fifteen (15) copies of Tampa Electric Company's Direct Testimony. The enclosed testimony contains material that is the subject of several Motions for Protective Orders filed by Tampa Electric in this proceeding. An order that partially responds to the above-mentioned motions was released to the parties at the close of business yesterday. However, Tampa Electric has not had an opportunity to review this order to determine what material should be redacted in compliance with the order. Therefore, portions of the enclosed testimony that Tampa Electric deemed to be confidential in the absence of a ruling on its motions have been redacted. An un-redacted version of this testimony is enclosed for filing, on a confidential basis, in a sealed envelope. Tampa Electric will file a revised redacted version of the attached testimony, which is consistent with the order issued yesterday evening, on or before July 5, 2000 or, in the alternative, will file a petition for reconsideration of yesterday's order.

A redacted version of the above-mentioned testimony has been served on the parties of record in this proceeding.

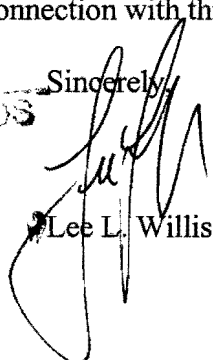

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.
