Dear Ms. Bayo:

This is a request for the Commission to amend GTE Communications Corporation's certificates to reflect its new corporate name. GTE Communications Corporation holds certificate number 4819 (as an alternative local exchange company; Commission company code reference TX071) and 4080 (as a switchless rebiller and prepaid debit card provider; Commission company code reference TI355). The name on these certificates is to be changed from GTE Communications Corporation to Verizon Select Services Inc. The new name has been properly registered with the Florida Department of State, Division of Corporations (see attached).

Also attached are labels to be affixed to GTE Communications Corporation's existing tariffs so that GTE Communications Corporation's name can be replaced with Verizon Select Services Inc.'s name.

I understand that the Commission will issue an order acknowledging the name change. The Company plans to begin using the new name on August 1, 2000. Please contact me if you have any questions.

Sincerely,

Kim Kimberly Caswell
