Re: Application for limited proceeding to recover costs of water system improvements in Marion County by Sunshine Utilities of Central Florida, Inc., Docket No. 992015-WU

Dear Tyler:

As we have discussed, Sunshine Utilities of Central Florida, Inc. ("Sunshine") is in the process of analyzing and evaluating various alternatives to its proposed water system improvements. Although Sunshine initially expected to file an amended application for limited proceeding with the Florida Public Service Commission ("FPSC") on or before July 18, 2000, Sunshine needs additional time to prepare its amended application. This will confirm that we have agreed that Sunshine will file its amended application for limited proceeding with the FPSC on or before August 15, 2000.

Thank you for your assistance. Please let us know if you have any questions.
