FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

JULY 11, 2000

RE: DOCKET NO. 991632-WS - Application for original certificate to operate water and wastewater utility in Bay County by Dana Utility Corporation.

Issue 1: Should Dana's Motion for Extension of Time for filing of the initial rates and charges information along with supporting engineering, operational, and financial data be granted?

Recommendation: Yes. Dana's Motion for Extension of Time for filing initial rates and charges information along with supporting engineering, operational, and financial data should be granted. Staff further recommends that if Dana fails to provide the required information by August 20, 2000, then revocation proceedings should be initiated by issuing legal notice of the initiation of the revocation proceedings pursuant to Section 367.045(6), Florida Statutes and Rule 25-30.030, Florida Administrative Code.

APPROVED

VOTE SHEET
JULY 11, 2000
DOCKET NO. 991632-WS - Application for original certificate to operate
water and wastewater utility in Bay County by Dana Utility Corporation.

(Continued from previous page)

Issue 2: Should the Commission initiate proceedings to revoke Dana's
certificates of authorization or delete territory from its certificates at
this time?
Recommendation: No. Staff recommends that the Commission should not
initiate proceedings to revoke Dana's certificates of authorization or
delete territory from its certificates at this time.

APPROVED

Issue 3: Should Dana be ordered to show cause in writing within 21 days
why it should not be fined for its apparent violation of Section 367.111,
Florida Statutes, for failing to provide service to the school at this
time?
Recommendation: No. A show cause proceeding should not be initiated at
this time.

APPROVED

Issue 4: Should this docket be closed?
Recommendation: No. This docket should remain open pending the filing of
initial rates and charges information along with supporting data.
