**Re: PNG Telecommunications, Inc.
Notice of Name Change**

000865-TI

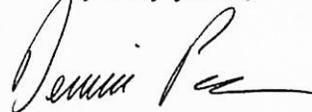

Dear Ms. Bayo:

This office acts as regulatory counsel to PNG Telecommunications, Inc., ("PNG") a certified IXC and ALEC in Florida. PNG was granted authority by the Commission to provide resold intrastate interexchange telecommunications services on May 11, 1995 in Docket No. 941328-TI. (Certificate No. 3981) and was recently certified as a Alternative Local Exchange Carrier in Docket No. 991992-TX (Certificate No. 7639).

PNG has assumed the fictitious name "PowerNet Global Communications" and has duly registered that fictitious name with the Florida Department of State, Division of Corporations (see the attached letter from the Division of Corporations acknowledging the fictitious name registration). PNG will provide service to and bill customers under the name of "PowerNet Global Communications" and respectfully requests that the Commission change the name on PNG's IXC certificate (No. 3981) from "PNG Telecommunications, Inc." to "PNG Telecommunications, Inc. d/b/a PowerNet Global Communications." PNG's ALEC certificate (no. 7639) already reflects this change.

Please find enclosed appropriate stickers to cover "PNG Telecommunications, Inc." in PNG's F.P.S.C. Tariff No. 1. Any questions regarding this matter may be directed to the undersigned.

Very truly yours,

Dennis M. Packer
