Hi Linda. It sounds like they are requesting cancellation of their ALEC certificate (TX103) and transfer of the IXC certificate (TI665) to another company. The ALEC certificate is paid in full through 12/31/99 (will only owe 2000 fee). The IXC has a small past due balance of \$3.00 for penalty and interest from 1999 (paid 1999 RAF late on 02/08/00) and will owe the 2000 fee. However, Jackie's group is the one that would handle this. I'm forwarding to her so that she can advise you. Thanks.

Hi Paula. We have letter from Quentel/Reed they want to do two things:

1) request ALEC authorization be discontinued, no longer needed

and

2) request IXC authority for Quentel be transferred to Palm Beach Telephone Company.

If you're the right person to ask, how should we handle this?

Thanks Paula.
