Re: Docket No. 000108-GU - Petition for a rate increase by Florida Division of Chesapeake Utilities Corporation

Dear Mr. Schiefelbein:

Pursuant to Rule 25-22.0406, Florida Administrative Code, the Commission staff has reviewed the proposed Notice to Natural Gas Customers and exhibits, as subsequently amended, that you submitted on behalf of the Florida Division of Chesapeake Utilities Corporation (Chesapeake) in the above-referenced docket. Upon review, it appears that the proposed notice and exhibits, as amended, are consistent with the rule's requirements for notice of a rate case application and notice of interim rates, and the information contained therein appears to accurately represent Chesapeake's rate case filing in Docket No. 000108-GU. The notice and exhibits, as amended, also appear consistent with the requirements of the Commission's Order Establishing Procedure in this docket. Therefore, we approve the Notice to Natural Gas Customers and exhibits, as amended, for issuance to customers pursuant to the rule.

Sincerely,

Wm. Cochran Keating IV
Staff Counsel
