NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

DOCKET NO. 000609-TI

On May 22, 2000, American Long Lines, Inc. (American Long Lines) and Teligent, Inc. (Teligent) filed with this Commission an application for approval of transfer of ownership and control from Alan Widra and trusts for the benefit of certain of his family members to Teligent. American Long Lines is the holder of Interexchange Telecommunications (IXC) Certificate No. 4826. Teligent is the holder of IXC Certificate No. 4850. American Long Lines has stated that the transaction will be virtually transparent to its customers in Florida and it will not affect the services being provided. American Long Lines and Teligent have further stated that they will continue to operate under their existing certificated names and tariffs on file with this Commission.

In accordance with our authority under Section 364.33, Florida Statutes, to approve the acquisition or transfer of majority organizational control or controlling stock ownership of a telecommunications company providing service in Florida, we have reviewed the Petition of American Long Lines and Teligent, and find it appropriate to approve it. We have based our review and decision upon an analysis of the public's interest in efficient, reliable telecommunications service. Our decision does not address the potential impact of the transfer on the competitive market in Florida, or on the companies' or their competitors' interests. We emphasize, however, that our approval of the Petition pursuant to our authority under Section 364.33, Florida Statutes, does not preclude us from addressing any of our concerns that may arise regarding this transaction to the appropriate federal or state agencies.

Based on the foregoing, it is,

ORDERED by the Florida Public Service Commission that American Long Lines, Inc. and Teligent, Inc.'s request for approval of transfer of ownership and control of American Long Lines, Inc. from Alan Widra and trusts for the benefit of certain of his family members to Teligent, Inc. is hereby approved. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing that is available under Section 120.57, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

The action proposed herein is preliminary in nature. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, in the form provided by Rule 28-106.201, Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on August 16, 2000.

In the absence of such a petition, this order shall become final and effective upon the issuance of a Consummating Order.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.
