Dear Mr. Heaton:

The Division of Records and Reporting forwarded a copy of its annual request for updated reporting requirements, which your company returned with what appears to be a request for a name change on your IXC and ALEC certificates. Your note advised that "due to acquisition of Pensacola and Fort Walton Beach markets 10/98, SW Florida is no longer appropriate/utilized."

If a name change is what you are requesting, you need to write the Commission a letter and request specifically that the name on your IXC Certificate No. 5182 and ALEC Certificate No. 5181 be changed from Wireless One Network, L.P. d/b/a Cellular One of Southwest Florida to the name you wish the certificates to be in. You will need to include proof that the new name has been registered with the Florida Department of State, Division of Corporations.

Dear Mr. Heaton:

The Division of Records and Reporting forwarded a copy of its annual request for updated reporting requirements, which your company returned with what appears to be a request for a name change on your IXC and ALEC certificates. Your note advised that "due to acquisition of Pensacola and Fort Walton Beach markets 10/98, SW Florida is no longer appropriate/utilized."

If a name change is what you are requesting, you need to write the Commission a letter and request specifically that the name on your IXC Certificate No. 5182 and ALEC Certificate No. 5181 be changed from Wireless One Network, L.P. d/b/a Cellular One of Southwest Florida to the name you wish the certificates to be in. You will need to include proof that the new name has been registered with the Florida Department of State, Division of Corporations.

Before I can recommend approval of a name change, a company must not have any outstanding balance on the regulatory assessment fees. In this case, our records show that the IXC has a \$3.00 penalty and interest balance for the 1999 RAF. The company paid the fee 02/01/00, but did not pay the penalty and interest. The ALEC also has a \$3.00 penalty and interest balance for the 1999 RAF. Cellular One paid the fee 02/08/00, but did not pay the penalty and interest charges. Both returns were due January 31, 2000.

If a name change is not what you are requesting, please contact me. Please respond in writing within 15 days from the date of this letter and let me know how you wish to proceed. In the meantime, if you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, by internet e-mail at pisler@psc.state.fl.us, or at the above address.
