Investment, LLC (Adelphia Investment) filed with this Commission an application for approval of merger from Adelphia of Florida to Adelphia Investment. Adelphia of Florida is the holder of Interexchange Telecommunications Certificate No. 6055 and Alternative Local Exchange Company Certificate No. 6056. The companies further requested a name change on Interexchange Telecommunications Certificate No. 6055 and Alternative Local Exchange Company Certificate No. 6056.

Upon completion of the merger, Adelphia of Florida will become a wholly-owned subsidiary of Adelphia Investment. Adelphia of Florida has stated that the merger will be virtually transparent to its customers in Florida and it will not affect the services being provided. Adelphia Investment will assume Adelphia of Florida's existing certificates and operations.

In accordance with our authority under Section 364.33, Florida Statutes, to approve the acquisition or transfer of majority organizational control or controlling stock ownership of a telecommunications company providing service in Florida, we have reviewed the Petition of Adelphia of Florida and Adelphia Investment, and find it appropriate to approve it. We have based our review and decision upon an analysis of the public's interest in efficient, reliable telecommunications service. Our decision does not address the potential impact of the transfer on the competitive market in Florida, or on the companies' or their competitors' interests. We emphasize, however, that our approval of the Petition pursuant to our authority under Section 364.33, Florida Statutes, does not preclude us from addressing any of our concerns that may arise regarding this transaction to the appropriate federal or state agencies.

Upon review of the Department of State, Division of Corporations' records, it appears that Adelphia of Florida has properly registered the new corporate name. Accordingly, we find it appropriate to amend Certificate Nos. 6055 and 6056 to reflect the new corporate name.

This Order will serve as the amended Interexchange Telecommunications Certificate of Public Convenience and Necessity No. 6055 and Alternative Local Exchange Company Certificate of Public Convenience and Necessity No. 6056.

Based on the foregoing, it is,
