## **25-24.825 Price List.**

(1) Prior to providing service, each company subject to these rules shall file and maintain with the Commission a current price list which clearly sets forth the following information for basic local telecommunications services, as defined in s. 364.02(2), F. S. If basic local telecommunications service is offered on a package basis, the following information must be provided for the package:

- (a) current prices,
- (b) customer connection charges,
- (c) billing and payment arrangements, and
- (d) levels of service quality which the company holds itself out to provide for each service.

(2) At the company's option, price list information in paragraph (1) above and other information concerning the terms and conditions of service may be filed for services other than basic local telecommunication services.

(3) A price list revision must be physically received by the Commission's Division of Communications at least one day prior to its effective date.

(4) Price lists must be on 8 ½ by 11 inch paper in loose-leaf form and must utilize an ongoing page identification system which will allow for the identification of inserted and removed pages. The color of paper on which price lists are filed must be amenable to being clearly photocopied on standard photocopy equipment.

(5) Complete information concerning a company's service offerings, rates and charges, conditions of service, service quality, terms and conditions, service area, and subscribership information identified by local exchange company exchange must be made available to Commission staff upon request.

SYMBOLS SHEET

The following are the only symbols used for the purposes indicated below:

- D - Delete or Discontinue
- I - Change Resulting In An Increase to A Customer's Bill
- M - Moved From Another Price List Location
- N - New
- R - Change Resulting In A Reduction To A Customer's Bill
- T - Change in Text Or Regulation But No Change In Rate Or Charge

### PRICE LIST FORMAT SHEETS

- . Sheet Numbering- Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the price list. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
  
- . Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the FPSC. For example, the 4<sup>th</sup> revised Sheet 14 cancels the 3<sup>rd</sup> revised Sheet 14. Because of various suspension periods, deferrals, etc, the FPSC follows in their price list approval process, the most current sheet number on file with the Commission is not always the price list page in effect. Consult the Check Sheet for the sheet currently in effect.
  
- C. Paragraph Numbering Sequence- There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
  - 2.
  - 2.1.
  - 2.1.1.
  - 2.1.1.A.

- 2.1.1.A.1.
- 2.1.1.A.1.(a).
- 2.1.1.A.1.(a).I.
- 2.1.1.A.1.(a).I.(i).
- 2.1.1.A.1.(a).I.(i).(1).

D. Check Sheets - When a price list filing is made with the FPSC, an updated check sheet accompanies the price list filing. The check sheet lists the sheets contained in the price list, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision . All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The price list user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the FPSC.

### .2 Limitations

- .2.1 Service is offered subject to the availability of facilities and provisions of this price list.
- .2.2 The Company reserves the right to discontinue furnishing service, or limit the use of service necessitated by conditions beyond its control, or when the customer is using service in violation of the law or the provisions of this price list.
- .2.3 All facilities provided under this price list are directly controlled by the Company and the customer may not transfer or assign the use of service or facilities, except with the express written consent of the Company, such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.

SECTION 2 - RULES, REGULATIONS AND SERVICE QUALITY CRITERIA  
CONT'D

.2.4 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this price list shall apply to all such permitted assignees or transferees, as well as all conditions for service.

.2.5 Customers reselling or re-billing services must have a Certificate of Public Convenience and necessity as an interexchange carrier for the Florida Public Service Commission.

2.3 Liabilities of the Company

2.3.1 The Company's liability arising out of mistakes, interruptions, omissions, delays, errors, or defects in the transmission occurring in the course of furnishing service or facilities, and not caused by the negligence of its employees or its agents, in no event shall exceed an amount equivalent to the proportionate charge to the customer for the period during which the aforementioned faults in transmission occur, unless ordered by the Commission.

2.3.2 The Company shall be indemnified and held harmless by the customer against:

(A) Claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content transmitted over the Company's facilities.

(B) All other claims arising out of any act or omission of the customer in connection with any service or facility provided by the Company.

2.4 Interruption of Service

2.4.1 Credit allowance for the interruption of service which is not due to the Company's testing or adjusting, negligence or the customer, or to the failure of channels or equipment provided by the customer, are subject to the general liability provisions set forth in 2.3.1 herein. It shall be the customer's obligation to notify the Company immediately of any service interruption for which a credit allowance is desired. Before giving such notice, the customer shall ascertain that the trouble is not being caused by any action or omission by the customer within his control, if any furnished by the customer and connected to the Company's facilities. No refund or credit will be made for the time that the Company

SECTION 2 - RULES, REGULATIONS AND SERVICE QUALITY CRITERIA  
CONT'D

stands ready to repair the service and the subscriber does not provide access to the Company for such restoration work.

2.4.2 No credit shall be allowed for an interruption of a continuous duration of less than twenty-four hours after the subscriber notifies the Company.

2.4.3 The customer shall be credited for an interruption of more than twenty-four hours as follows:

Credit Formula:

$$\text{Credit} = A/B \times C$$

"A" - outage time in hours

"B" - total days in month

"C" - total monthly charge for affected facility

2.5 Disconnection of Service by Carrier

The company (carrier), may discontinue service or cancel an application for service without incurring any liability for any of the following reasons:

2.5.1 Non-payment of any sum due to carrier for regulated service for more than thirty days beyond the date of rendition of the bill for such service.

2.5.2 A violation of any regulation governing the service under this price list.

2.5.3 A violation of any law, rule, or regulation of any government authority having jurisdiction over such service.

2.6 Deposits

The Company does not require a deposit from the customer.

SECTION 2 - RULES, REGULATIONS AND SERVICE QUALITY CRITERIA  
CONT'D

2.7 Advance Payments

For customers whom the Company feels an advance payment is necessary, the Company reserves the right to collect an amount.

2.8 Taxes

All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax)

are listed as separate line items and are not included in the quoted rates.

2.9 Billing of Calls

All charges due by the subscriber are payable at any agency duly authorized to receive such payments. Any objection to billed charges should be promptly reported to the Company. Adjustments to customers' bills shall be made to the extent that records are available and/or circumstances exist which reasonably indicate that such charges are not in accordance with approved rates or that an adjustment may otherwise be appropriate.

2.10 Minimum Call Completion Rate

A customer can expect a call completion rate (number of calls completed/number of calls attempted) of not less than 90% during peak use periods for all FG D services ("1+" dialing).

SECTION 3 - BASIC SERVICE DESCRIPTIONS AND RATES

3.1 Exchange Service List

Chapter 25-24.825 (5), Florida Administrative Code only requires the company to make available to staff the alternative local exchange service areas upon request.

3.2 Network Switched Service

3.2.1 General

Network Switched Service is provided via one or more channels terminated at the Customer's premises. Each Network Switched Service channel corresponds to one or more analog, voice-grade telephonic communications channels that can be used to place or receive one call at a time.

Network Switched Service provides a Customer with a connection to the

Company's switching network which enables the Customer to:

- a) receive calls from other stations on the public switched telephone network;
- b) access the company's local calling service;
- c) access the Company's operators and business office for service related assistance; access toll-free telecommunications services such as 800 NPA; and access 911 service for emergency calling; and
- d) access the service of providers of interexchange service. A Customer may pre-subscribe to such provider's service to originate calls on a direct dialed basis or to receive toll-free service from such provider, or may access a provider on an ad hoc basis by dialing the provider's Carrier Identification Code.

Basic Business or Residential Access Lines are provided for connection of Customer-provided, single-line terminal equipment such as station sets or facsimile machines. A non-recurring service connection charge applies to each new access line installation and monthly recurring charge applies per access line.

### SECTION 3 - BASIC SERVICE DESCRIPTIONS AND RATES CONT'D

#### 3.2.2 Classes of Service

##### A. Flat Rate Service

Monthly exchange rates for flat rate service entitle Customers to an unlimited number of messages to all exchange access lines bearing the designation of central offices within the servicing exchange.

##### B. Message Rate Service

Monthly exchange rates for message rate service entitle customers to a message allowance where there is no incremental charge per message up to and including the monthly message allowance. Messages in excess of the monthly message allowance are billed on a per call basis. Messages in excess of the monthly message allowance are \$0.10 and \$0.12 per message for Residential lines and Business lines, respectively. The monthly message allowance is 30 and 75 messages for Residential lines and Business lines, respectively.

C. Vacation Service or Customer Requested Temporary Suspension of Service

Vacation service allows Customers to temporarily suspend service for a minimum of one month and up to a maximum of six months. The monthly charge for this service is 50% of the normal monthly rate regularly charged to Customers that subscribe to flat rate service in local exchange company areas. The monthly charge for this service is 50% of the normal monthly rate regularly charged to Customers that subscribe to flat rate service in local exchange company areas. The monthly charge for this service is 72% of the normal monthly rate regularly charged to customers that subscribe to message rate service in local exchange company areas.

SECTION 3 - BASIC SERVICE DESCRIPTIONS AND RATES  
CONT'D

3.3 Extended Area Dialing Plans

Extended Area Dialing Plans allow Customers to extend their basic exchange service to include adjacent exchanges within a certain mile radius to be included on a calling plan.

A. Extended Calling Service (ECS) provides usage based pricing for Customer dialed or operator assisted calls to selected exchanges within the customer's LATA. Residential Customers are billed \$0.25 per message. Business Customers are billed \$0.10 for the first minute or fraction thereof and \$0.06 for each additional minute or fraction thereof. Specific available routes are found in (name each LEC's) General Subscriber Service Price list.

B. Optional Extended Local Calling (OELC) permits exchange Customers to place and receive unlimited toll-free calls to and from the selected exchange which is outside the Customer's normal local calling area for a rate. Customers who subscribe to OELC are entitled to one listing in the selected exchange directory at no charge. The directory listing will contain sufficient wording in each exchange's directory to advise callers that the OELC Customer can be called toll-free. Specific available routes and calling plan rates are found in (name each LEC's) General Subscriber Service Price list.

3.4 Calling Features

Customers of the Company's Access Line, Trunk Service, or Centrex

arrangements may obtain central office based functions which are auxiliary to call processing. The availability of these features are dependent upon the central office which services the Customer's location. The features in this section are made available on an individual basis or as part of multiple feature packages. All features are provided subject Transmission levels may not be sufficient in all cases.

### 3.5 Payment of Calls

#### 3.5.1 Late Payment Charges

Interest charges of 1.5% per month will be assessed on all unpaid balances more than thirty days old.

## SECTION 3 - BASIC SERVICE DESCRIPTIONS AND RATES CONT'D

#### 3.5.2 Return Check Charges

A return check charge of \$25.00 will be assessed for checks returned for insufficient funds if the face value does not exceed \$50.00, \$30.00 if the face value does exceed \$50.00 but does not exceed \$300.00, \$40.00 if the face value exceeds \$300.00 or 5% of the value of the check, which ever is greater.

### 3.6 Restoration of Service

A reconnection fee of \$25.00 per occurrence is charged when service is re-established for customers who had been disconnected for non-payment.

### 3.7 Emergency Call Exemptions

The following calls are exempted form all charges: Emergency calls to recognizable authorized civil agencies, including police, fire, ambulance, bomb squad and poison control. Biz-Tel,Corporation. will only handle these calls if the caller dials all of the digits to route and bill the call. Credit will be given for any billed charges pursuant to this exemption on a subsequent bill after verified notification by the billed Customer within thirty (30) days of billing.

### 3.8 Service Offerings

BIZ-TEL,Corporation.. will be providing "basic" local telephone service to customers at the following rates:

- 3.1.1 Basic Residential Local Line @ \$13.50 per month, and a \$35.00 installation charge will be collected with the first month's billing.
