Re: Regulatory Assessment Fee Return

Dear Ms. Bayó:

Teleglobe USA Inc. hereby submits for filing its Regulatory Assessment Fee Return. A check in the amount of \$50.00 payable to the Florida Public Service Commission is also enclosed.

Please note, that while intrastate revenue on the form and thereby the actual Return is accurate, the gross operating revenues for Teleglobe USA's Florida operations are estimated (the final revenue numbers are not yet available).

Teleglobe respectfully requests proprietary treatment of the financial information submitted herein. Teleglobe USA Inc., is an ultimate subsidiary of Teleglobe Inc., a corporation publicly traded on New York, Toronto and Montreal Stock Exchange. Pursuant to the Securities and Exchange Act of 1934, as well as corresponding Canadian law, Teleglobe Inc. publishes its financial information in the aggregate. The financial information for individual subsidiaries is not a matter of public record. A release of revenue information for Teleglobe USA Inc. would disclose sensitive information, which would be useful to Teleglobe's competitors in the international marketplace but provide no useful public interest purpose to Florida consumers.
