Mr. David Stover Jr.
863 Majestic Cypress Drive North
Atlantic Beach, FL 32233-2955

Dear Mr. Stover:

This is in response to your recent letter in which you requested voluntary cancellation of your pay telephone certificate. I cannot recommend voluntary cancellation of a certificate when there is an outstanding balance of regulatory assessment fees (RAFs). In this case, our records show that the company did not pay 1999 fee, plus accrued penalty and interest charges. As information, until the Commission is notified in writing that a company wishes to cancel its certificate, the RAF is due on that certificate if the certificate is active for any day during a calendar year. This means that not only is the 1999 RAF past due, but that you are also responsible for the 2000 RAF since the Commission was not notified until March 27, 2000.

I am enclosing a copy of Rule 25-24.514, F.A.C., which explains how to request voluntary cancellation. The company would need to first pay the past due amount in full, and then write the Commission another letter advising when the 2000 RAF fee will be paid.

Please respond in writing by April 24, 2000. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.

Sincerely,

A handwritten signature in black ink that reads "Paula J. Isler".
