On July 5, 2000 we have started the installation of the water meters and hope to be completed by August 12, 2000 and in working order and start the use of the meters on August 14, 2000.

Our plans are to pro-rate the first (13) Thirteen Days of August then read the meters August 14, 2000 to start, then read the meters every (30) Days and bill the Customer around the 20th of each Month, to be due on the first of each Month.

( EXAMPLE )

Water- Flat Rate Step 1 \$20.83 (13) Days Pro-Rate \$8.74  
Wastewater-Flat Rate Step 1 \$23.15 (13) Days Pro-Rate \$9.71

If this is not satisfactory please give me a call at (863) 696-1666.
