the due date of January 31, 2000, the Division of Administration mailed a delinquent letter to the companies. As of August 16, 2000, none of the companies have paid the past due amount. Therefore, staff believes the following recommendations are appropriate.

#### **DISCUSSION OF ISSUES**

**ISSUE 1:** Should the Commission impose a \$1,000 fine or cancel the pay telephone certificates issued to the companies listed on page 5 for apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies?

**RECOMMENDATION:** Yes. The Commission should impose a \$1,000 fine or cancel each company's respective certificate as listed on page 5 if the fine and the regulatory assessment fees, including statutory penalty and interest charges, are not received by the Commission within five business days after the issuance of the Consummating Order. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and regulatory assessment fees, including statutory penalty and interest charges, are not received, the pay telephone certificate numbers listed on page 5 should be canceled administratively. (Isler)

**STAFF ANALYSIS:** Pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine or cancel a certificate if a company refuses to comply with Commission rules. Rule 25-24.514, Florida Administrative Code, establishes the requirements for cancellation of a pay telephone company certificate. The rule provides for the Commission to cancel a certificate on its own motion for violation of Commission Rules and Orders.

Rule 25-4.0161, Florida Administrative Code, which implements Section 366.336, Florida Statutes, requires the payment of regulatory assessment fees by January 30 of the subsequent year for telecommunications companies, and provides for penalties and interest as outlined in Section 350.113, Florida Statutes, for any delinquent amounts.

DOCKET NOS. 000927-TC, 000937-TC, 000956-TC  
DATE: AUGUST 24, 2000

Staff was notified by the Division of Administration that the pay telephone providers listed on page 5 have not paid their 1999 regulatory assessment fees, plus statutory penalty and interest charges. Therefore, it appears the companies have failed to comply with Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies and have not requested cancellation of their certificates in compliance with Rule 25-24.514, Florida Administrative Code.

This is the second docket opened against each company for nonpayment of the RAF. In Docket No. 980813-TC, Order No. PSC-98-1554-AS-TC was issued on November 23, 1998, which accepted Carman Communication, Inc.'s settlement offer. Carman Communication, Inc. proposed to pay future RAFs on a timely basis and offered to pay a \$100 contribution. The company paid the past due RAF, including penalty and interest, and paid the \$100 contribution, and the docket was closed.

In Docket No. 981128-TC, Order No. PSC-99-1532-FOF-TC was issued on November 20, 1998, which imposed a \$500 fine for nonpayment of the 1997 RAF or cancelled the company's certificate. Telecommunications Service Center, Inc. paid the past due RAF, including penalty and interest, and the \$500 fine, and the docket was closed.

In Docket No. 981556-TC, Order No. PSC-99-0263-FOF-TC was issued on February 10, 1999, which imposed a \$500 fine for nonpayment of the 1997 RAF or cancelled the company's certificate. Florida Communication International, Inc. d/b/a FCI paid the past due RAF, including penalty and interest, and the \$500 fine, and the docket was closed.

Accordingly, staff recommends that the Commission assess a \$1,000 fine for failure to comply with the Commission rules or cancel each company's respective certificate as listed on page 5 if the fine and the regulatory assessment fees, including statutory penalty and interest charges, are not received by the Commission within five business days after the issuance of the Consummating Order. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and regulatory assessment fees, including statutory penalty and interest charges, are not received, the pay telephone certificate numbers listed on page 5 should be canceled administratively.

DOCKET NOS. 00092, TC, 000937-TC, 000956-TC  
DATE: AUGUST 24, 2000

**ISSUE 2:** Should these dockets be closed?

**RECOMMENDATION:** Yes, these dockets should be closed upon receipt of the fine and fees or cancellation of the certificate, unless a person whose substantial interests are affected by the Commission's decision files a protest within 21 days of the issuance of the proposed agency action order. A protest in one docket should not prevent the action in a separate docket from becoming final.  
(Banks)

**STAFF ANALYSIS:** Whether staff's recommendation on Issue 1 is approved or denied, the result will be a proposed agency action order. If no timely protest to the proposed agency action is filed within 21 days of the date of issuance of the Order, these dockets should be closed upon receipt of the fine and fees or cancellation of the certificate. A protest in one docket should not prevent the action in a separate docket from becoming final.
