RE: PROPRIETARY INFORMATION ENCLOSED

Dear Ms. Bayo:

Enclosed is a prototype of a proposed AT&T billing format produced as a follow-up response to a request from Commissioner Jacobs and Staff regarding implementation of the NARUC Truth-In-Billing Resolution. AT&T deems the entire prototype billing format document to be proprietary and confidential business information and therefore claims confidential treatment of the entire document pursuant to Section 364-183, Florida Statutes. AT&T requests that the Commission handle the enclosed material pursuant to Rule 25-22.006, Florida Administrative Code.

Thank you for your assistance in this matter.

Sincerely,

*Rhonda Merritt*
