RE: DOCKET NO. 000810-GU - Petition for approval of modifications to tariff provisions governing transportation of customer-owned gas and tariff provisions to implement Rule 25-7.0335, F.A.C., by Tampa Electric Company d/b/a Peoples Gas System.

Issue 1: Should the Commission grant Peoples Gas System's (Peoples or the Company) petition for modifications to its tariff provisions governing transportation of customer-owned gas and tariff provisions to implement Rule 25-7.0335, Florida Administrative Code (F.A.C.)?

Recommendation: No. The Commission should deny Peoples' proposed modifications to its tariff provisions governing transportation of customer-owned gas. Staff would have recommended approving Peoples' tariff had the Transition Cost Recovery Charge been assessed to all non-residential customers.

MODIFIED

The tariff as outlined in staff's 8/24/00 recommendation was approved (per the company's agreement at the conference.) A revised tariff, consistent with this decision, is to be submitted by the company and approved by staff.
