To Whom It May Concern:

Please provide information regarding the application made by United Water Florida, Inc. to install water/sewer in the Chester Road Area, Yulee Florida.

I own property in the 2800 area of Chester Road, which is privately owned and I am opposed to this service. I wish to continue using my private well and septic. I have no desire to receive chlorinated water in my home. I cannot afford a monthly water and sewer fee.

Please provide information/comments to the attached flyer that was hand delivered in our neighborhood. Is this information accurate?

Thank You,
Janice L. Lnell
