ORIGINAL

I do hereby object to the application of United Water Florida, Inc., referenced in legal notice on page C of the Fernandina Beach News Leader dated 8/30/2000, to the Florida Public Service Commission to extend their service area into my community based on the following grounds:

- 1. **No information** has been given to the public or the residents of the affected area as to the cost, timetable, benefits, or any other details.
- 2. United Water Florida, Inc. should not have a monopoly on this service. When needed this service should be open to competitive bids thus lessening financial hardships on property owners.
- 3. Services being required by developers should **NOT BE FINANCED BY PRIVATE CITIZENS.**
- 4. The ^{AREA} ~~are~~ sought in the extension is, for the most part, open rural and low density. There is no need for this service.
