Dear Sir,

We strongly object to the granting of a permit to United Water Florida, Inc., a private company, to furnish unnecessary, unneeded and unwanted water and sewer lines to the Bells River area, mainly Pirates Wood in Yulee FL. This company has not contacted us as homeowners; they have taken it upon themselves to apply for a permit for service that the homeowners have never requested. This is not the proper way to do business.

As homeowners in Pirates Wood, we have been on well water and an approved septic tank system. Both of which we have checked and maintained on a regular basis. We have been completely satisfied with this system.

I ask that you not approve this request.

Sincerely,

  
George A. Kern M.D.
