Dear Sirs:

**WAIT A MINUTE BOYS!!!** These are our homes and our property and you have not been invited to come in and put your water and sewer pipes in. They are unwanted and unneeded. This is no new home development . We have purchased our homes put our own septic and drainfields in and wells and we like it that way. **HOW DARE YOU INSINUATE YOUR WAY INTO OUR LIVES UNINVITED!!!** I am protesting Loudly and Vehemently! We **DO NOT WANT** this project brought into our community. **NEXT TIME ASK, FIRST!**

Sincerely,

*Nathan Crant*
