RECORDS AND REPORTING

I am writing a ~~letter~~ ^{objection} to the sewer & water lines going in our community.

I have been told by a neighbor that we would have to pay a lot of money to be hooked up even if we did not want to.

I do not want to be hooked up ever!

I thought we lived in a Democratic society where we had information or meetings or something before you let United Water put lines in our neighbor. & wanting me & my neighbor to help pay for it & also monthly fees.

If I have got the wrong information please answer my letter
