Dear Ms. White:

On July 28, 2000, BellSouth filed a Motion for Variance of Number Pooling Requirement for its 1AESS Switches. Prior to making a recommendation to the Commission, staff needs the following information:

1. Please provide for each 1AESS switch, the NPA, NXX, exchange, and total number of active and assigned telephone numbers in the following format:

NPA	NXX	Exchange	Total Number of Active and Assigned TNs

2. Please explain when BellSouth makes the determination to replace the switches.
3. Please explain how BellSouth depreciates its 1AESS switches in Florida. If this information is switch specific, please provide it accordingly.
