Re: Case 001310-TI Compass Telecommunications, Inc.

Dear Ms. Bay'o

I am writing to request that Compass Telecommunications, Inc. does not have its certification cancelled. Compass has in fact filed the annual reports and though I did miss sending the regulatory fees initially please find the check attached.

I spoke with Paula Isler regarding an abeyance of the action and she directed me to send a letter to request this. We have had turnover of several different people in the Legal and Regulatory department and the annual reports for Florida were missed. I have taken over as Legal and Regulatory Manager and will make sure that Compass does comply with all Commission requirements in the future.

I am also requesting we can offer to pay \$100 to satisfy the regulatory fine.

Please call me on my direct line of 480-483-1068 if there is any thing more I can do to resolve this matter.

Sincerely,

*Terri McLeod*
