BY THE COMMISSION:

On July 10, 2000, FPL filed a petition requesting approval of revisions to its small commercial/industrial underground tariff differentials. Pursuant to Section 366.06(3), Florida Statutes, the Commission may withhold consent to the operation of all or any portion of a new rate schedule, delivering to the utility requesting such increase, within 60 days, a reason or written statement of good cause for doing so. Therefore, the proposed tariffs shall be suspended to allow sufficient time to review FPL's supporting documentation. We believe this is good cause,
