Dear Ms. Blanca Bayó:

It has come to my attention that our company, Least Cost Routing, Inc., has failed to submit it's 1999 Regulatory Assessment Fee (RAF) Return as well as pay the RAF for 1999 in a timely manner. There was an address change earlier this year, therefore, many forms were never received in this office despite a forwarding order that was placed with the Post Office.

I have recently assumed the position of Administrator of Regulatory Affairs for Least Cost Routing, Inc. and have been working diligently to get this issue addressed. I would like to apologize for our untimeliness as well as advise you that I will make every attempt to insure that all returns are filed and any fees paid on or before such due dates.

Dear Ms. Blanca Bayó:

It has come to my attention that our company, Least Cost Routing, Inc., has failed to submit it's 1999 Regulatory Assessment Fee (RAF) Return as well as pay the RAF for 1999 in a timely manner. There was an address change earlier this year, therefore, many forms were never received in this office despite a forwarding order that was placed with the Post Office. I have recently assumed the position of Administrator of Regulatory Affairs for Least Cost Routing, Inc. and have been working diligently to get this issue addressed. I would like to apologize for our untimeliness as well as advise you that I will make every attempt to insure that all returns are filed and any fees paid on or before such due dates.

I understand that the status of our certificate is in jeopardy and at this time would like to request that it be kept active. All past due balances for 1999 have been paid as well as the 99 return has been filed with applicable fees and penalties. I would like to make a settlement offer of \$500.00 in order to maintain our active status. Please advise at your earliest convenience if this is acceptable to you.

Thank you for your attention to this matter,

Sincerely,

Sandra S. Harter  
Administrator of Regulatory Affairs
