**Re: Energy Conservation Cost Recovery Clause
Docket No. 000002-EG**

Dear Ms. Bayó:

Enclosed for filing on behalf of Florida Power & Light Company ("FPL") in Docket No. 000002-EG are the original and ten (10) copies the Petition of Florida Power & Light Company for Approval of its Conservation Cost Recovery Factors. Also enclosed are the original and ten (10) copies of FPL's Testimony and Exhibits of Dennis Reynolds.

If you or your staff have any questions regarding this transmittal, please contact me at 222-2300.

Respectfully,

Charles A. Guyton

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Energy Conservation Cost)
Recovery Clause)

Docket No. 000002-EG
Filed: September 27, 2000

PETITION OF FLORIDA POWER & LIGHT COMPANY FOR
APPROVAL OF ITS CONSERVATION COST RECOVERY FACTORS

Florida Power & Light Company ("FPL"), pursuant to Section 366.82(2), Florida Statutes (1999), Florida Administrative Code Rule 25-17.015, Order No. PSC-93-0709-FOF-EG, and Order No. PSC-98-1084-FOF-PU, hereby petitions the Florida Public Service Commission ("Commission") for approval of the conservation cost recovery factors shown on Appendix I, attached hereto and incorporated by reference, to be applied during the January 2001 through December 2001 billing period, and to continue in effect thereafter until modified by the Commission.

The grounds for this Petition are:

- 1. The name and the address of the affected agency are:

Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0850

- 2. FPL's address is 9250 West Flagler Street, Miami, Florida 33174. Correspondence, notices, orders, motions and other documents concerning this petition should be sent to:

Charles A. Guyton
Steel Hector & Davis LLP
215 South Monroe Street
Suite 601
Tallahassee, Florida 32301

William G. Walker, III
Vice President, Regulatory Affairs
Florida Power & Light Company
9250 West Flagler Street
Miami, Florida 33174

- 3. FPL is an investor-owned electric utility regulated by the Commission pursuant to Chapter 366, Florida Statutes. FPL is subject to the Florida Energy Efficiency Conservation Act ("FEECA"), and its Energy Conservation Cost Recovery ("ECCR") clause is subject to the

FPSC-RECORDS/REPORTING

Commission's jurisdiction. By rule, Florida Administrative Code 25-17.015, and orders, Order Nos. PSC-93-0709-FOF-EG, PSC-93-1845-FOF-EG, and Order No. PSC-98-1084-FOF-PU (among others), the Commission has authorized conservation cost recovery factors and set forth their calculation. FPL's substantial interest in the recovery of its conservation-related expenditures will be affected by this proceeding.

4. FPL's conservation cost recovery factors were calculated consistent with the order establishing annual conservation cost recovery factors, Order No. PSC-93-0709-FOF-EG, and the order establishing the ECCR cost of service methodology, Order No. PSC-93-1845-FOF-EG. The factors are designed to recover the projected conservation program expenses for the period January 2001 through December 2001 adjusted for (a) the estimated true-up for the period January 2000 through December 2000, and (b) the final conservation true-up for the period January 1999 through December 1999, as well as an interest provision for both true-ups. The calculation of these factors and the supporting documentation are contained in the prepared testimony of FPL witness Dennis Reynolds and in Exhibit DR-2, which are being filed with and are incorporated by reference in this Petition. Exhibit DR-2 consists of the conservation cost recovery forms that FPL and other utilities were directed to file by the Commission's Electric and Gas Department memorandum dated June 17, 1982.

5. FPL projects total conservation program costs, net of all program revenues, of \$160,521,601 for the period January 2001 through December 2001. The net true-up is an overrecovery of \$9,943,246, which includes the final conservation true-up overrecovery for January 1999 through December 1999 of \$ 69,731 that was reported in FPL's Schedule CT-1 filed May 15, 2000. Decreasing the projected costs of \$160,521,601 by the net true-up overrecovery of

\$ 9,943,246 results in a total of \$150,578,355 of conservation costs (plus applicable taxes) to be recovered during the January 2001 through December 2001 period.

6. FPL is not aware of any disputed issues of fact. This petition is not in response to a prior agency decision, so the petitioner cannot state when and how it "received notice of the agency decision." The Commission should approve the Conservation Cost Recovery factors shown on Appendix I. FPL is entitled to relief pursuant to Section 366.82(2), Florida Statutes (1999), Florida Administrative Code Rule 25-17.015, Order No. PSC-93-0709-FOF-EG, and Order No. PSC-98-1084-FOF-PU.

WHEREFORE, FPL respectfully petitions the Commission to approve for the billing period January 1, 2001 through December 31, 2001, and to continue in effect thereafter until modified by the Commission, the conservation cost recovery factors shown on Appendix I.

Respectfully submitted,
