Re: Aloha Utilities, Inc.; PSC Docket No. 991643-SU  
Application for Increase in Wastewater Rates to its Seven Springs System Customers in Pasco  
County, Florida  
Our File No. 26038.30

Dear Ms. Bayo:

Attached is a revised schedule of "Engineering Services Estimate to Complete" that was inadvertently omitted from the updated rate case expense information submitted earlier today. It should be added as the last page to the schedules filed earlier today.

Because this schedule was left out, the lead schedule (first schedule after the cover letter) submitted earlier today was also in error.

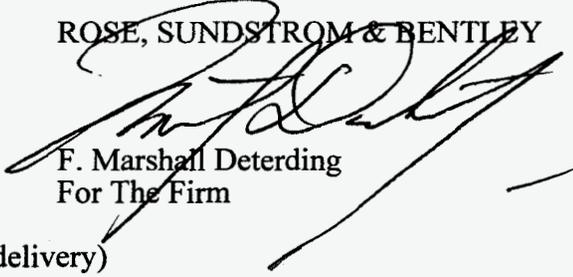

As such, please replace the summary schedule and insert the new schedule of Engineering Services Estimate to Complete at the end of the previously filed package. The original and fifteen copies of both of these schedules are attached hereto.
