Dear Ms. Bayó:

Enclosed please find a refund check in the amount of \$10,547.63 for deposit in the General Revenue Fund in accordance with the requirements of the above mentioned Orders. Both Dockets arose under the same circumstance with separate, but affiliated providers, and this letter is being filed in both Dockets to provide the final report of refund disbursements.

Refunds for both Sprint and AlternaTel have been processed through Sprint's Hospitality Billing Operation. Following issuance of the Commission's orders to refund, it was determined that billing files previously reported as related to Sprint customers actually were related to AlternaTel customers.

The ordered refund amount in Docket No. 000019-TI (Sprint) is \$40,279.65 including interest. The ordered amount for Docket No. 000020-TI, AlternaTel, is \$17,208.63 including interest. The total amount ordered refunded in the two dockets is \$57,488.28. Sprint customers received refunds of \$29,210.77. This leaves an escheat (unclaimed refunds or customers not found) of \$10,522.35 to the Florida General Revenue Fund. The amount refunded to AlternaTel customers was \$17,819.60 including interest. An amount of \$25.28 will escheat General Revenue Fund.

In all, \$47,030.37 was refunded to customers. When combined with the \$10,547.63 escheat (attached check) to the General Revenue Fund, Sprint has now disposed of \$57,578.00. This exceeds the amount the Commission ordered refunded by \$89.72.

Check received with filing and
